Training on Ethics in Horizon Europe: a practical view

#healthNCPnet | www.healthncp.net

 HNN3.0 (The Cluster 1 Health consortium of NCPs for Horizon Europe) has received funding from the European Union's Horizon EUROPE research and innovation programme under Grant Agreement number 10105279

Ethics in Horizon Europe: a practical view Paris, France

The 3rd onsite HNN3.0 NCP training focuses on the understanding on how to better support applicants to answer the ethics sections of collaborative R&I projects under Horizon Europe. The outcome of the training is to gain knowledge on how to identify ethical issues in the proposals and to better orient applicants in their replies to ethical section and annex. A focus will be made on real cases and AI.
